Accreditor Description:

The ABHE Commission on Accreditation is a national faith-related accrediting organization and is recognized by the United States Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA). The ABHE Commission on Accreditation is an institutional and programmatic accreditor. Institutions that are institutionally accredited have been examined as a whole. Institutions that are programmatically accredited have specific programs that have been reviewed in light of ABHE standards.

A branch campus is an additional location of an institution that is geographically apart and independent of the main campus of the institution and (1) is permanent in nature; (2) offers courses in educational programs leading to a degree, certificate, or other recognized educational credential; (3) has its own faculty and administrative or supervisory organization; and (4) has its own budgetary and hiring authority. An additional location is a facility that is geographically apart from the main campus of the institution and at which the institution offers at least 50% of a program through classroom courses, hybrid courses, or a combination of both. An additional location may qualify as a branch campus and be subject to requirements pertaining to branch campuses. An extension site is an off-campus location where less than 50% of a degree program may be earned by classroom courses, hybrid courses, or a combination of both.
